

Training Courses Available – to Spring 2019

If you are interested or you know of anyone who is interested in the following courses can you contact me and also get them to contact me so I can get everyone registered, etc.....

There is a fair amount of paperwork involved so the earlier I am contacted the better, plus fees paid allows me to purchase all the course material and confirm room bookings for the courses.

Note: Fees could change if RSGB Exam Fees or Community Centre Fees are raised.
2018 – 2019 Fees may change depending on the Community Centre Fees
