

Training Courses Available – to Spring 2020

If you are interested or you know of anyone who is interested in the following courses can you contact me and also get them to contact me so I can get everyone registered, etc.....

There is a fair amount of paperwork involved so the earlier I am contacted the better, plus fees paid allows me to purchase all the course material and confirm room bookings for the courses.

This year a change to the number of weeks for each course due to the new syllabuses starting the 1st September 2019

Note: Fees could change if RSGB Exam Fees or Community Centre Fees are raised.

2019 – 2020 Fees may change depending on the Community Centre Fees
